Assessment Testing

Its that time of year again. Assessment testing is scheduled for January 12th
There are some things YOU can do to ensure your child does their best on the test.

- ***Make sure they get plenty of sleep every night***
- ***Make sure they have a quiet area to work in free from distractions***
- ***Eat breakfast every morning***
- ***Encourage your child to do their Best on the test and to take their time***

Working together between home and school shows your child we truly care about them and their progress.
