

Commercial & Athletic Field Services
888-374-7336

NOTICE

A fertilization & weed control application will be applied on **athletic fields & school building lawns** in the coming week. This application, weather permitting, will take place on **Tuesday, May 24—Thursday, May 26.**

The area treated will be posted with small signs when the application is complete. Do not enter treated areas until the application has dried (usually 30 minutes). **No applications will be done near school buildings or playgrounds during school hours!**

If you have questions, please contact **Jim Hicks at 231-215-2070 or jhicks@mhtigers.org**.
