

Cicely Tyson

A Look Back at the Life of Iconic Actress Cicely Tyson

Students in the middle school watched the video in the link above and had this to say when asked about her impact and the idea of representation:

- ❖ “She always was being herself in she did not take a role that would disrespect black people”
- ❖ “We can show ourselves in beauty and be proud about it and being kind to so so many people who can do the same”
- ❖ “She inspired a lot of girls and women around the world so her impact on the Hollywood community was big”
- ❖ “Her impact was she made her goal and we can relate because her art helped us the black people to get us some more rights into acting”
